## “10 Easy Steps to Starting a Business” Tour

**COMING TO PETOSKEY — SATURDAY, OCTOBER 1, 2016**

*Looking to start or grow a business?*

The “10 Easy Steps to Starting a Business” tour will be in Petoskey on Saturday, October 1, 2016, at the Odawa Hotel, 1444 US Highway 131 South, Petoskey, Michigan. To register, please go to [www.warregallowayassociates.com](http://www.warregallowayassociates.com).

Small business owners will have the opportunity to meet and learn from renowned small business expert Warren S. Galloway, Jr, B.S., J.D., famed author of “10 Steps to Starting a Business”, and his team of professional business coaches as he presents a one-day workshop training. Mr. Galloway is a successful entrepreneur, business coach, business and marketing plan writer, consultant, college professor, and author who has assisted hundreds of businesses. He is bringing his team of expert business coaches to Petoskey, so you don't want to miss out on this once a year opportunity.

*“This is an amazing opportunity to learn from some of the best small business mentors in the country and be able to tap into their many years of entrepreneurial experience during the one-on-one sessions.” ‘A person will only have one chance in Petoskey this year to attend this workshop,” said Mr. Galloway.*

This workshop is designed to be informative, providing detailed instructions for enhancing the growth of a stagnated business, the launch of a new business, and how to find sources for funding.

### **5 reasons why it's a must to attend this training workshop.**

- **To learn the necessary steps to successfully launch or grow your business in one day.**
- **Have the option to have your business registration forms completed by professionals.**
- **Find out how to access microloans and other funding resources for your business.**
- **Receive personalized business coaching from a professional business coach.**
- **Receive a free copy of the newest, best seller book for entrepreneurs, “10 Easy Steps to Starting a Business” with each registration.**

This tour stop is a must attend for every individual and business owner aspiring to have sustainable business growth and development.
